Bangalore, 18th September 1921.

My dear Matthan,

I enclose a copy of the D.O. addressed to me by Mr. N. Lakshminarasimhaiya regarding his rank and status in the Department. At present there are no permanent posts in the Department other than that of the Superintendents and Assistant Superintendents and for the remaining posts officers are recruited either temporarily or - drafted from the Public Works Department. Mr. B.G. Appadorai Mudaliar was appointed last year permanently in the Department on a pay of Rs 300-25-500 and on a year's probation. The proposals for the re-organization of the Department are pending sanction before Government and it is very likely that most of the other officers now working in the Department will be provided for and the question of their relative rank will have to be decided then. Mr. Lakshminarasimhaiya and other officers feel that Mr. Appadorai Mudaliar's confirmation now may lead to their loss of seniority in rank.

I would therefore suggest that Mr. Appadorai Mudaliar

may be confirmed as per my recommendations made in the matter separately, but that the question of his relative rank in the Department may be left to be decided at the time of the re-organization of the Department.

Yours sincerely,

C. Balasundaram Jr

K. Matthan, Esq., B.A.

Copy of Confidential D.O. dated the 29th August 1921, from Mr. N. Lakshminarasimhaiya, Superintendent, Government Art Workshops, Bangalore, to the Director of Industries and Com -merce in Mysore, Bangalore.

Referring to our personal conversation in regard to the proposal of confirming Mr. Appadorai Mudaliar on Rs. 325/- in the grade of Rs. 300-25-500, when the question of confirming my -self and the other Engineer Officers lent from P.W.D. is still before Government, I beg to make the following representation.

I want to make it clear at the very outset, I am not protesting against the proposal of confirming Mr. Mudaliar nor am I competent to do so. My point is that whereas my case is - still before Government and they have not passed definite orders regarding my status and pay in this Department even though I have been working here for over 4½ years. The claims of an officer who joined service later than myself are being decided which decision if taken now, will, it will be seen, prove detrimental to my interest when the question of my confirmation &c is taken up at a latter date.

When Government appointed Mr. Mudaliar on Rs. 300-25-500 I brought to the notice of the then Director that the grade sanc -tioned to him would work harm to the Engineer Officers of the P.W.D. who were only permitted to draw their grade pay in the P.W.D. and an allowance of Rs. 75/- per mensem. The Director then assured me that the re-organisation of the Department has been taken up by Government and our cases would be finally decided before Mr. Mudaliar completes his probationary period. I approached Mr. Bannerji, the first Member of Council, who assured me that the re-organisation was "under the active consideration of Government" and I may expect very early orders. It is one year that these promises were given but to my misfortune no decision has yet been arrived. I may here bring to your - notice that some years ago the question of grant of emoluments to officers trained in foreign countries was taken up in the -

(16)

the P.W.D. and Government decided that they should be granted only Rs 100/- additional allowance to the usual pay that they are otherwise entitled to draw and this should retain their rank and status in the scale. Recently this order seems to have been modified and special salaries for foreign trained officers are granted but their rank is in the order in which they join service. The underlying principle in both these - cases, is those officers already in service should not be superseded by junior Officers but should be independently rewarded for the foreign training they have under-gone. This principle is I think recognised in all services and I need not - say much on this point.

I may however be permitted to state that the proposal - now before Government, though seemingly innocent at present, will create hardship in cases of several officers when the re-organisation scheme is taken up and the question of seniority arises.

I therefore request you to kindly put this aspect of the case with your kind recommendations before Government and request them to kindly pass orders simultaneously on both the - proposals before them.

Begging to be excused for the trouble given and trusting that justice will be done to my case.
